

Clyde Valley Campus, North Lanarkshire

Clyde Valley Campus in Wishaw,
North Lanarkshire.

Clyde Valley will provide capacity
for up to 1,018 pupils incorporating
nursery, primary and secondary
education.

The pupils will experience and
benefit from "all-through"
education on the same site
throughout their learning years

The site has relocated from the
existing premises which was
situated on the Overtown and
Castlehill primary schools and is
now positioned on the existing Clyde
Valley High.

This super campus which is being
partially funded by the Scottish
Government is set to include a
nursery and language centre
offering support to Pupils with
special needs.

The Campus will also feature full-
size – floodlit synthetic pitches,
central assembly hall an outdoor
amphitheatre and also grassed area.

Clyde Valley Campus has been
provided with a total of 21 Helios &
Salda Air Handling Units.
